# **Intermittent Bagmaker** S400 In Detail

It is often said that life is a series of trade-offs, but who said anything about your bagger? With the S400 you get all the benefits you need - speed, flexibility and affordability - in one robust servo-driven machine. And this form, fill and seal powerhouse has a rugged design while accommodating multiple bag designs and dimensions. Did we mention speed? At 100 bags per minute, this speed demon will zip through all your production runs. Why settle for a bagger with trade-offs when the S400 packs all the benefits you want in one powerful machine!
